FORMAL CHARGEBACK REPRESENTMENT PACKET

Representment Rebuttal Letter

Dispute ID: DP_101 **Order ID:** ORD_9901 **Customer Name:** Rohan Sharma **Disputed Amount:** INR 18,500.00 **Reason Code:** 10.4 (Fraud - Card Absent Environment)

Executive Summary

We are formally contesting the chargeback for Order **ORD_9901** in the amount of INR 18,500.00. The cardholder claims this transaction was unauthorized (Fraud - Card Absent Environment). However, our compelling evidence proves beyond doubt that the transaction was authorized by the legitimate cardholder, successfully verified, and delivered. Crucially, the customer explicitly acknowledged receipt of the items in a post-delivery customer support chat.

---

1. Payment & Authentication Verification

- **AVS Verification:** MATCH (Billing address verified with the card issuer)
- **CVC Verification:** PASS (Card Security Code verified at checkout)
- **IP Address Analysis:** Checkout IP `103.22.45.1` matches the shipping location (Bhopal, MP) with a distance variance of only 1.2 km.

2. Proof of Delivery

- **Carrier:** BlueDart
- **Tracking Number:** BD8829102
- **Status:** Delivered
- **Delivery Notes:** Handed directly to recipient at the designated shipping address in Bhopal, MP.

3. Direct Customer Communication & Acknowledgment

- **Chat Record:** The customer contacted customer support post-delivery stating: *"Hi, I got my order yesterday but want to return it."*
- **Analysis:** This statement serves as direct proof of receipt and confirmation that the customer initiated and received the purchase, invalidating any claim of third-party fraud.

Conclusion

Based on full AVS/CVC pass, geolocation alignment, confirmed delivery via BlueDart, and direct written admission of receipt from the customer, this transaction is valid and authorized. We respectfully request that this dispute be resolved in favor of the merchant and the funds be returned immediately.
